REFERENCE: CHANGE IN FILING FREQUENCY

Dear Treasurer:

The Commission has received notification of your request, dated 4/7/2015, to change from a monthly filer to a quarterly filer of receipts and disbursements.

Please be advised that under Section 104.5(c) of the Commission regulations, a committee may change its filing frequency only after notifying the Commission in writing of its intention at the time it files a required report under its current filing frequency. Such committee will then be required to file the next required report under its new filing frequency. Furthermore, be advised that quarterly filing committees that make contributions or expenditures (including independent expenditures) in connection with an election must also file a pre-election report, if the activity was not previously reported. In addition, a committee may change its filing frequency no more than once per calendar year. Since the Commission received your request for a change in filing frequency after the February and March Monthly filing dates, your committee is required to file these reports. Attached is a reporting schedule for the 2015 calendar year.

If you have any questions, please contact David Garr in the Reports Analysis Division on the toll free number, (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division). His local number is (202) 694-1137.

Sincerely,
